

## Young Burn Victim Needs Donations For Kidney Transplant

Emerson Hackford Ross

There will be a benefit for Emerson Hackford Ross April 13 at the Myton Legion Hall in Myton, from 8 p.m. to 12 midnight. A donation of \$5 will be asked.

Emerson was a burn victim at the age of five. He is now 13 and his kidneys have failed. His Uncle Rick Hackford donated one of his kidneys but the expense for the family have been high.

Glen Ross, from Veco Drilling, and Heber City, has pledged \$500 and challenges all other companies and businesses to do the same.

There will be a dance and potluck supper. Anyone wishing to help, please contact Lue at 722-2932 or LeOra at 781-0604.

Emerson is the son of Fonda and Roy Ross, the grandson of Lynn and LeOra Hackford, former residents of Heber City.
